

Employers That Hire Chemists in the Greater Cincinnati Area

This list is intended to be a comprehensive collection of companies and agencies that hire chemists in the Cincinnati area. Some of the listings reach as far as Dayton, Middletown, Wilmington, Northern Kentucky, and beyond, though they are NOT meant to be comprehensive for those areas. For many listings the web site given is the general reference for the main company. Often a large company has branches or divisions in the area, but is headquartered elsewhere.

Information in this list was obtained from various sources including company web pages and employees of the companies. The accuracy of information in this list cannot be guaranteed. If there are questions, errors, or changes to the listings, please contact Brian Lenihan at briandlenihan@cs.com. For more information, see the section's web site: <http://www.acscincinnati.org/acs/>.
