

# Volunteers Needed 246<sup>th</sup> American Chemical Society Meeting *Chemistry in Motion*

Announcing: **Webinar on Thursday, July 11<sup>th</sup> at 3 pm**  
to overview volunteer opportunities, role descriptions,  
using the VolunteerSpot website, etc.

**Join us for a brief overview and Q&A session on volunteer opportunities associated with the 246<sup>th</sup> ACS National meeting at the Indiana Convention Center (Sept 8-12) and the ACS-CSI outreach event at the Indianapolis Motor Speedway (Sept 8). Please feel free to forward to interested colleagues as we will ultimately need about 250 volunteers for the various activities and will be tracking shifts using VolunteerSpot: <http://vols.pt/9zt4ye>**

**--With thanks from the National Meeting Lead team**

**Thursday, July 11, 3 pm:**
